The JCCC Foundation invites you to join us for an entertaining evening of music, film, food and sake in the comfort of your own home. Tickets are \$150 each and include delivery of your Holiday package right to your door.

Enjoy an authentic bento prepared by featured restaurants from the Japanese Restaurant Association while you tune in online to a 30 minute exclusive entertainment package which includes a performance by Kyowa Taiko, a brief update on the future of the JCCC and a special musical segment by Annie Sumi. Annie is a yonsei (fourth generation Japanese Canadian) and one of Canada's emerging folk singer/songwriters.

The JCCC has become known internationally for the Toronto Japanese Film Festival and we will be able to give you free exclusive access to two recent favorites.

Finally, twenty lucky participants will be selected to win a copy of the award winning "Just Add Shoyu" cookbook.

Due to the COVID pandemic, the JCCC is in need of your support but we wanted to make sure that each participant was properly rewarded for your contribution as a show of our gratitude

To participate you can go online [here](#) for more information or to order your ticket for Saturday December 12th.

Thank you for your support. It is very much in need as we extend the JCCC lockdown into the winter season.

Stay safe, healthy and strong.

With appreciation
