

Call for Volunteers! Doors Open Event May 27 + 28

Dear JCCC Community,

May has been a vibrant month of community events here at the JCCC. As we wrap up the annual Bazaar and Sakura Gala, we are now getting ready for [Doors Open Toronto!](#)

Doors Open Toronto is a city-wide event that celebrates 100+ sites of architectural, cultural, and social significance. Doors Open activities take place between 10 a.m. and 5 p.m. More than 100 buildings and sites across Toronto open their doors over the May 27 and 28 weekend. Admission is free.

We are seeking a team of energetic, self-motivated volunteers to assist as way finders and in the gift shop during the Doors Open Weekend. This is a family-friendly event, so student volunteers are welcome and encouraged to participate!

Why volunteer at Doors Open @ JCCC?

- Come check out 3 brand new exhibitions at the JCCC heritage hall and gallery;
- See artist demonstrations, Hula and Taiko performances;
- The JCCC is home to eight high-performing and unique martial arts clubs - Aikido, Iaido, Jodo, Judo, Karate, Kendo, Kyudo, and Naginata. Demonstration and observation of these classes will be available throughout both days!! See the full event programming at JCCC [here](#)

Half day and full day volunteer shifts available. If you are interested in joining us for a weekend of celebration, sign up on [Volunteer Hub](#) today! If you have trouble with the Volunteer Hub Portal, please email Eva at Volunteer@jccc.on.ca .
